

Mr. C. Palani
Assistant professor /EEE

WORKSHOP

* Participated the workshop on “classle- National Programme on Technology Enhanced Learning ‘conducted on 21.12.12 at Er. PERUMAL MANIMEKALAI COLLEGE OF ENGINEERING, HOSUR

* Participated in the THREE DAY WORKSHOP on “EMBEDDED SYSTEM DESIGN” organized by electronic control systems, held in Er. PERUMAL MANIMEKALAI COLLEGE OF ENGINEERING, HOSUR on 30, 31, July 2012.

* Participated in the TWO DAY “ISTE WORKSHOP” Akash for education conducted by Indian institute of technology Bombay on 10 & 11 November 2012.

* Participated in national level workshop on “research issues in power electronics, control engineering & power system” conducted by the department of electrical and electronics engineering held during 06- 07 January 2012 at knowledge institute of technology, Salem.

* For participate for actively organizing the one day national level workshop on EMBEDDED SYSTEM(ARM PROCESSOR)held on 15 feb ,2014 at bharathidasan engineering college.

* For participate for actively organizing the one day national level workshop On “LABPRO” organized by the department of electrical and electronics held on 24 JAN, 2015at bharathidasan engineering college.

* For participate for actively organizing the one day national level workshop on “RECENT TREMDS OM TEMEWABLE ENERGY SYSTEMS” organized by the department of electrical and electronics held on 19 SEP, 2014at bharathidasan engineering college.

* Participated the state level science and technical project exhibition “water level controller”

FACULTY DEVELOPMENT PROGRAM

* Participated in the faculty development program conducted by educational technology department, PSG TECH ON 02& 03.12.2010 at PMC TECH, HOSUR.
